

# We Are Expanding

**Hello Rock Soup Friends!**

**We are EXPANDING and need your help! The Rock Soup Greenhouse and Food Bank is OFFICIAL! We are a federally and provincially recognized non-profit and we are expanding our services in a HUGE way.**

**To do this, we need a few things to help us succeed in our initiative to alleviate food security:**

Donations- we have a greenhouse and storefront in mind, but we need to cover operational costs to get established! Please consider donating money or items for auction to help us raise funds!

Volunteers- once the greenhouse and foodbank are fully operational; however if you feel there are other ways you can help outside of this, contact us!

**Visit our website at [WWW.ROCKSOUP.CA](http://WWW.ROCKSOUP.CA) for more information about us, our mission, and how you can help!**

**Thank you for your support!**
